Message from our Patroness

Well, what a year !

2020 was the year that disrupted a lot of sporting events around the world and while events in the outside world impacted on attendance at Tournaments that were scheduled to be held in the Cook Islands our nation proved that Covid-19 wasn't going to change us.

CISNOC along with the Cook Islands Government held the 2020 Cook Island Games and were honoured to receive a video message from Thomas Bach, the President of the International Olympic Committee congratulating the Cook Islands for their courage in holding such a large sporting event in the face of the Covid-19 pandemic.

Of course badminton being a major sporting code organized their own tournament within the 2020 CI Games and this was played in the Telecom Sports Arena at Nikao. There is no doubt that this event caused a huge interest in our sport and has resulted in a large increase in player numbers. A better way of attracting new players to the sport could not have been found !

While one of the effects of Covid-19 was that our players were not able to travel overseas the 2020 CI Games was a great substitute for this loss.

Cook Islands Badminton Committee continue to be proactive in introducing the Shuttletime programme into the primary schools thereby continuing the pool of upcoming players. Coaching sessions for the various grades continue to be held and all of our coaches are to be commended for their devotion to ensuring our young people become proficient in their game and enjoy their sport.

Members of the Cook Island Badminton Committee are once again to be congratulated for their commitment to the wellbeing of the sport – they are all wonderful people ! Good luck for the coming year.
Gail Eraio (Mrs)

Message from our President

Kia Orana Cook Islands Badminton family, 2020 has been an interesting and challenging year to say the least but one that has seen our family grow.

2020 will always be known as the year the world stopped and to be one of the lucky ones we had a responsibility to keep the shuttle flying.

It was an opportunity as a COVID free nation to bring badminton to the forefront and grow awareness in the community and bring hope and motivate our people.

I would to thank so many people, Julie and her team at Oceania Badminton for your continuous encouragement and support. To all our Sponsors, supporters, players and parents for having faith in our dream. And lastly thank you Lord for your love and sheltering us during this uncertain year.

God Bless
Thomas Mereana-Ngauru

2020 was definitely the year about doing things differently and looking at innovative ways of keeping our badminton community motivated.

The Clash of the Generators brought families together in the name of badminton to get parents more involved and an opportunity to get closer to their kids.

Over 100 players took to the courts at Princess Anne Hall in a fierce 4 pool round robin competition.

“What an awesome initiative...”

Sane Cowan - Parent

We had Grandparents, Parents, Aunties & Uncles sharing the courts with their young ones.

Teams also dressed to impress with prizes going to Hina and her Dad for their batman getups and more prizes given out throughout the day.

It was a day full of laughter, good food and great company and the start of a great annual event.

Cook Islands Badminton would like to thank Tereora College for the last minute use of Princess Anne Hall. And an even bigger thank you to all our competitors for making this such a successful event

Victor Oceania Championships Ballarat, Australia

From the 10th –16th February 8 of our top Juniors had the opportunity to compete at the Victor Oceania Open Champs in Ballarat, Australia. This was preceded by a week long training camp which gave our players the opportunity work with other pacific players and top Australian coaches. It is always a huge learning curve for our players and we are

extremely proud of them . Our players would face the top Open NZ & Australian players some who are Olympians. Standout was Damus Matakindo who received great reviews from coaches and showed real maturity on court. Thank you Badminton Oceania for another incredible opportunity for our players

Shuttle Time Atiu

From November 24th—26th coaches John Taulu and Hebrew Tom took to the skies and spent a week spreading the good news of ShuttleTime to the 100 students and 10 teachers on the Island of Atiu.

It was so satisfying to see the enjoyment in the childrens eyes who for the majority had never played badminton before.

Thanks to the BWF Membership grants which has allowed us to bring ShuttleTime to Cook Islanders in the Outer Islands. Because of the costs of travel it has always been a mission to provide services to the outer islands so it feels good to get out there and we look forward to taking ShuttleTime to more of the Outer Islands.

4th Annual Primary School Program & Tournament

128 students from 9 primary schools on Rarotonga gathered at the Telecom Sports Arena in Nikao to compete in the 4th Annual Primary Tournament on the 19th November.

After having to cancel the College Tournament for this year it was great to get the opportunity to go into the Primary Schools and run the ShuttleTime program

It was promising to see the level improve

amongst our primary school students and we look forward to seeing it continually grow.

Unfortunately COVID-19 disrupted our calendar for 2020 forcing the cancellation of many of our programs and events. One of our major worries was all the hard work we had already done over the years would go to waste. So being able to hold our Primary School Program and Tournament was a relief.

Cook Islands Badminton would like to thank Federal Pacific Insurance and Brian Mason for their sponsorship and our volunteers for making the event a success.

The Badminton Tournament was held in TSA Tuesday 6 October to Friday 9 October with the Finals and Medal Ceremony on Sat. 10th October.

Teams from the islands of Mangaia, Mauke, Pukapuka, Mitiaro, Rarotonga, Rakahanga, Manihiki, Palmerston, Penrhyn, Atiu and Aitutaki took part. These teams were divided into two pools A and B. The outer island teams comprised mostly of outer island people living on Rarotonga altho there were some who came from their home island especially.

The Badminton Tournament played on 4 courts with the officials being in charge of 1 court each. The duties were not too onerous making sure that the rules were adhered to e.g. right playing gear, no headwear, court behavior, time keeping, ensuring that each game ran on time and a little crowd control.

This Tournament was well run –games were played on time, standard of dress was excellent with the various island teams creating their own uniforms in brilliant colours and designs. Teams raised a lot of money that was spent on uniforms but on the day they made a brilliant spectacle. While the mood of the Tournament was serious there was a great camaraderie amongst the players It was a joy to see this spirit.

House Competition

For 8 weeks commencing on the 26th October 16 Social Teams took to the courts at the Telecom Sports Arena for an 8 week Social Competition. They came from Government Departments, Local Businesses as well as Families, friends and Badminton enthusiasts.

The motivation behind the event was to provide the community with fun events and

competition for our Junior Squad Teams

It was also a chance to educate more people about the sport of Badminton and raise awareness.

And as a way to give back to many businesses who were struggling because of COVID-19 CIBA purchased meal vouchers as prizes.

Elite Badminton Competition

For 8 weeks 8 teams competed in an Elite Business House Competition vying for the Ray Marsters Memorial Trophy

Teams were placed in a round robin competition playing one meet every Friday evening. Each meet consisted of 5 best of 3 game matches, 2 singles and 3 doubles.

The competition was an excellent way to keep our Junior Development Squad and Open Players motivated.

Cook Islands Badminton would like to thank all the teams who participated and their sponsors. The success of the event has brought about plans for more competition in the future.

Air Badminton

After years of waiting we were excited to finally have an opportunity to try out the new Airbadminton outdoor shuttles and game.

The new shuttles also came in handy when delivering ShuttleTime to schools during the Primary School Program for schools without halls.

We look forward to developing the sport further and one-day having Airbadminton included in the Ma-nea and Cook Islands Games.

Air New Zealand Let Shuttles Fly!

Air New Zealand staff took to the badminton courts at Apii Nikao for an afternoon of badminton activities.

They had heard and seen the growing interest in the community and wanted to see what the fuss was all about.

With the limited number of flights the extra time allowed staff to do different team bonding activities.

Now Air NZ Korus have plans to join the next Social Badminton League and get amongst the action.

Tumuora Hunger Games

The Tumuora Gym holds their annual Hunger Games with 4 competing teams taking part in various games and activities.

It was awesome to see badminton included in this year's festivities with the hopes it becomes a permanent fixture.

For many of them it would be the first time on the badminton court and definitely not the last.

And now Tumuora is registered to join the next Social Badminton League

Foundation Coaches Course

With COVID-19 affecting us in so many ways it was exciting to be able to continue with our coaching development on-line.

Facilitated by Oceania Development Manager Robbie Thackham 12 volunteers took to the courts at St Josephs Hall to undergo an on-line Foundation Coaches Course which ran over 4 sessions.

With the help of CIBA level one coaches participants were taken through basic grips, net shots, overheads, serves and much more.

After completing the on-line component they will then need to complete the face to face component once borders open.

CIBA would like to thank Badminton Oceania for this great opportunity and to our volunteers for taking on the task in helping to grow our coaching personnel.

Strength & Conditioning

In June of this year our Junior Development Squad started on a journey to strengthen & condition their bodies as part of their development training.

Under the expert coaching of Geoffrey Halston & Olivia Heather-Halston at Tumuora Fitness our players were put through their paces twice a week working on their mobility, agility, mental toughness, nutrition and so much more.

Even after 5 months during the Open National Champs you could see already the benefits of the classes.

CIBA would like to thank Oceania Badminton for supporting this initiative, and Geoff & Olivia for going over and beyond for our players

Open National Championships was a tough one this year considering that everyone and any age could participate. Loads of competitive spirit could be seen on the courts and especially for the senior players. At first there was elimination rounds which would later on turn

into engaging matches to spectate. It became clear that many had set their eyes on achieving the top spots, however at the end of the day everyone had fun and did their utmost best in the competition.
